MALAI MAKING MACHINE

Shree Industrial machineries Invented Unbelievable World First "Malai Making Machine" for Commercial uses. Now you can make Malai with our Malai Making Machine. Our Malai Machine is fully perfect for the 100% Result of Traditional Taste for the Indian Desi Malai.

**WE BELIEVE IN
MECHANISM**

AUTOMATION
WITHOUT EFFECTING TRADITIONAL
TASTE OF SWEETS.

Just put 6/8 Ltrs Buffalo Milk (Boiled) in Malai Machine & Get 1.25kg to 1.6Kg Malai (Weight will be depend on fat in Milk)

- 25" Inches Diameter of Malai is formed above dish
- Cut Malai Pieces as per your need, like square or circular pieces, Stripes Patta for making Malai Gillauri, Malai Pan etc.
