- Roasting Besan for Besan Laddu.

Shree Industrial Machineries

Lassi Making Machine

This is our latest innovation. This machine can be made the best use by stores and shops those who prepare large quantity of Lassi everyday. This gives to relief of manual effort and time to mix varied ingredients with curd to make mouthwatering Lassi. Here the curd does not discharge water and get mixed in the Lassi proportionately. The forward and reverse moving speed can be controlled like that of human effort to give effect of traditional Indian Lassi.

- Pour Milk
- Add Ice
- Put ingredients like fruits, syrup etc
- Add aroma
- Put the timer on
- You can increase and decrease speed of forward and reverse swinging like that of man made lassi
- In a short time, Lassi with perfectly mixed and oozing out shower will be made ready
